# Corporate Community Health Advisor Update

***Pilot Concept: January 2021 – May 2021***

As a response to COVID-19 and at the request of the Green County Health Department, in partnership with GCDC, the United Way of Green County and the Wisconsin Community Health Fund, 4 Volunteers received Green County social service support training and provided necessary outreach support to Green County Residents impacted by COVID-19 as ***Community Health Advisors***

***Thank You For Your Service!***

***April Fuhr – Monticello***

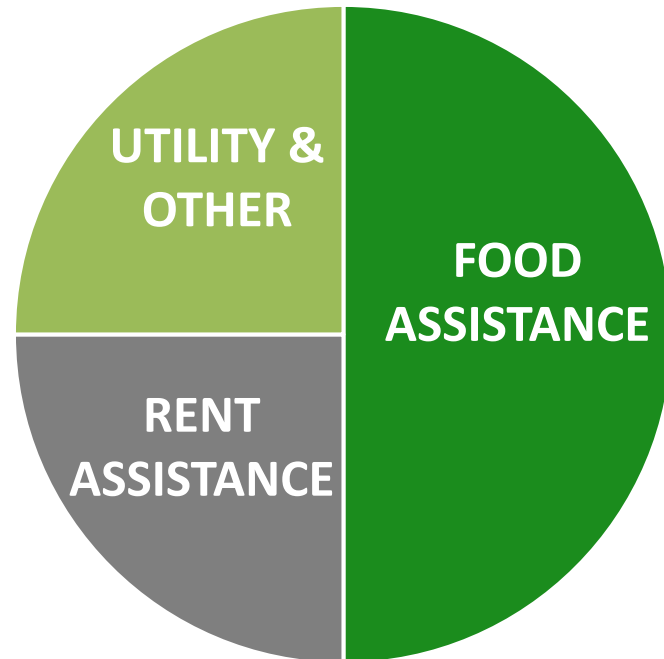

***Brittni Ackley – Monroe Truck***

***Dave Mosher – Mosher and Associates Insurance Services***

***Teresa Keehn – United Way Green County***

# COVID-19 Hotline Results

- Community Health Advisors volunteered weekly to respond to Hotline calls – Hotline Number, managed by the United Way, was provided by the Green County Public Health Department in their communications to positive COVID-19 residents
- 8 COVID-19 Support Advisory Sessions
- Requests
  - 50% - Food Assistance
  - 25% - Rent Assistance
  - 25% - Utility and Other Assistance Requests

# Next Steps: Community Health Hotline

- In addition to the United Way 211 System, the new Community Health Hotline will be targeted towards COVID-19 vaccination information, mental health and wellbeing supports and will strive to respond to other requested needs
- Additional Corporate Community Health Advisor Opportunities!

# Community Health Business Requests

- **Community Health Hotline** – continued recruitment of corporate volunteers – Community Health Advisors
- **Campaign Promoters – Protect Our Herd Green County!**
  - <https://gcpublichealth.org/protect-our-herd-green-county-covid-19-vaccine-campaign/>
- **Herd Leaders** – Onsite COVID-19 vaccination clinics, education sessions and employee incentives
- **Gap Closers** – Targeted services, education and incentives to populations of color (Coming soon! Green County Vaccination Clinics – Veracruz Mexican Market)
