

WISCONSIN COMMUNITY HEALTH FUND

# Agenda for Healthy Communities

## 2015/2016

The Agenda for Healthy Communities supports existing plans for health improvement throughout Wisconsin. Connection to the Agenda for Healthy Communities is intended to help make health improvement teams or priorities achieve faster and stronger results. Take action and support healthy Wisconsin communities today!

## People

Join an improvement team and play a direct role in the planning and implementation of health improvement action throughout Wisconsin.

**Worksite Wellness** – Jon Morgan, [Jonathon.morgan@wisconsin.gov](mailto:Jonathon.morgan@wisconsin.gov)
